

## CUSTOMER ONBOARDING CHECKLIST TEST ADAPTERS

Dear customers,

thank you for choosing our test adapter solutions. We would appreciate if you could send us the following materials and information so we can deliver optimal results:

Up-to-date device under test (DUT)

Up-to-date CAD data

STP

List of test points (please use our [Excel template](#))

Gerber data

Which test system will be used (Guardian/other)?

Do you have a preferred test position for the DUT?

Should we install contact pins or LED sensors?

Should we install other components (e. g. programmer, bus adapter, load boards, wiring, ...)?  
If yes, please describe!

Are DUTs fitted in panels? If yes, please provide the panel data including drill holes and cut-outs. How are your DUTs numbered?

Thank you for your cooperation. **If you have any questions, please do not hesitate to contact us!**

Best regards from Berlin

Your GTS team
